

KFFZ Touch and go operations hours

Issued under the Authority of:

Jerod Bybee
Training Manager

Jerod.bybee@cae.com

Background Information:

Due to our increased flight activity, the Global Business Leader has agreed to adjust our touch and go operational hours at KFFZ.

Abbreviations:

CAE OAA	CAE Oxford Aviation Academy
NOTAC	Notice to Aircrew

Policy:

Touch and go operations will only be permitted between the hours of 0800-1700 daily at KFFZ by CAE aircraft. Full stop taxi back operations are permitted between the hours of 0530-2200. Pilots needing to conduct touch and go's outside of these hours will need to transit to neighboring airfields.

All other restrictions as outlined in the CAE OAA Phoenix Noise Abatement Guidelines remain in effect.

Exceptions and Review:

Exceptions may be granted by the CAE OAA Phoenix Center Manager.

This policy will be reviewed periodically by the Global Business Leader or Center Manager. In the presence of new safety/training operational data, this policy may be rescinded or revised. *Optional:* This policy may be reviewed and/or revised.

Scope

CAE Oxford Aviation Academy, Phoenix
