

Alternate Flight Plan

Issued under the Authority of:

Travis Olson
Chief Instructor

Contact details: travis.olson@cae.com

Background Information:

Kaizen action item to help reduce flight cancellations during navigation flights due primarily to weather.

Abbreviations:

CAE OAA	CAE Oxford Aviation Academy
NOTAC	Notice to Aircrew

Policy:

Flight crews shall plan and prepare an alternate flight plan for all navigation flights (Dual and Solo). The alternate flight plan should be separate from the primary flight plan and, if able, planned in a different direction. The alternate flight plan must meet the specific lesson requirements and follow program guidelines regarding navigation missions.

Exceptions and Review:

In the presence of new safety/training operational data, this policy may be rescinded or revised.
