

Attention all CAEOAA Phoenix flight crews:

The 58th Annual Cactus Fly-In is occurring March 4-5, 2015. This event is hosted by the Classic Airplane Association of Arizona (CAAA), and takes place at Casa Grande Municipal Airport from 0800 to 1700 Local. Many people camp there overnight for the event.

Due to the large numbers of aircraft, limited fuel services during the event, and congested ramp area, **we are prohibiting flight crews from operating in the vicinity of KCGZ on Friday March 4th and Saturday March 5th, 2016.**

Only emergency landings are permitted.

Fly Safe,

CAE OAA Phoenix Safety Team
