

# Queen Valley No-Maneuver Zone

Effective March 3, 2017

Issued under the Authority of:  
Chief Flight Instructor

## Background:

CAE OAA is committed to achieving the highest level of safety by meeting or surpassing regulatory requirements, by auditing the safety implications of our activities, by identifying areas for improvement through incident reporting, investigation and risk assessment, and by encouraging the open and honest reporting of safety issues.

## Abbreviations and Definitions:

None.

## Policy:

Maneuvering of CAE OAA Aircraft is prohibited within 3nm of the Town of Queen Valley. This is to provide noise abatement to the extremely noise sensitive community of Queen Valley, which is located 1.5nm north east of Florence Junction. Aircraft flying over Queen Valley must remain above 3000 feet AGL. Location of the center of the 3nm radius no-maneuver zone is: IWA 081 Radial at 16 nautical miles. Areas south and west of the US-60 are excluded.

## Exceptions and Review:

The above policies apply to all CAE OAA PHX flight operations and will be reviewed annually.

## Scope:

All CAE OAA Phoenix flights.
