

KFFZ Open House Restrictions

Effective March 25, 2017

Issued under the Authority of:

Chief Flight Instructor

Background:

CAE OAA is committed to achieving the highest level of safety by meeting or surpassing regulatory requirements, by auditing the safety implications of our activities, by identifying areas for improvement through incident reporting, investigation and risk assessment, and by encouraging the open and honest reporting of safety issues. Added risk from Falcon Field Airport's "Open House" event requires mitigation which is being distributed through this communication.

Abbreviations and Definitions:

Falcon Field Open House – Event hosted by Falcon Field Airport, open to the public showcasing a static display of aircraft and custom automobiles.

EAA - Experimental Aircraft Association.

Young Eagle Flights – Flights hosted by EAA allowing young kids to get their first flight in an aircraft. These flights are flown by volunteers who own their own aircraft and use the callsign, "Eagle" followed by a number.

Policy:

1. **Solo flights are NOT permitted between 0900 and 1400 local time** on March 25th. Solo flights are able to leave before 0800 as long as they return after 1400.
2. **4R Runup area will be closed** due to the event. 4R @ D1 runup area will likely be congested due to Young Eagle flights and CAF operations occurring during the event. Therefore, **the 22L runup area is to be used for runups by CAE aircraft on Saturday March 25th, between 0600 and 1800 local time (or whenever the 4R runup area is re-opened following the event)**. This also means that **taxi flow through the CAE ramp will be towards the 22L runup area during this time**.

Exceptions and Review:

The above policies apply to all CAE Operations at KFFZ during designated times stated above.

Scope:

All CAE OAA Phoenix Aircraft
