

Coolidge (P08) Glider Activity

Effective March 17, 2018

Issued under the Authority of:

Chief Flight Instructor – James Berry

Background:

CAE OAA is committed to the highest level of safety. CAE has become aware of temporary high volume Glider Activity near Coolidge Airport and is passing this information to our Flight Crews.

Abbreviations and Definitions:

None

Policy:

P08 Glider and Skydiving Activity have right-of-way. All CAE flight crews are requested to avoid Coolidge Airport during the Glider Activities occurring March 21-23rd and March 24-29th, 2018. They will be operating sunrise to sunset during those days. Please see the NOTICE and MAP attached.

Exceptions and Review:

The above policy applies to all CAE OAA Flight Operations during the scheduled dates/times above.

Scope:

All CAE OAA Phoenix Aircraft

Attachments:
