

Use of Landing and Recognition Lights during Daylight Hours

Issued under the Authority of:

Paul Taylor
EASA CFI Goodyear

Contact details:paul.taylor@cae.com

Abbreviations:

CAE OAA	CAE Oxford Aviation Academy
NOTAC	Notice to Aircrew

Policy:

Landing lights and where fitted Recognition lights on the Warrior aircraft should remain on during daylight flights, in the Seneca Recognition lights if fitted should also be on for all daylight flights.

Having these lights illuminated on both aircraft types during daylight hours assists in being seen by other aircraft in your vicinity and therefore aiding traffic awareness and avoidance.

Exceptions and Review:

This policy will be reviewed periodically by the EASA CFI Goodyear.

Scope

CAE Oxford Aviation Academy Goodyear
