FOD & Loose Article Check

Special emphasis is required with the following checks; please ensure they are completed in accordance with OAA SOPs and OAA Operations manual:

Pre-Flight

- Once external checks are complete a final check should be made that luggage and personal equipment is secured and that there are **NO LOOSE ARTICLES**

In Accordance with the OAA Operations manual

Part A Section 2.7 Aircraft Husbandry

- Food and drinks, with the exception of water, may not be consumed in any OAA aircraft.
- Oil containers or any cleaning solvents may not be taken on board the aircraft.
- Any rubbish must be taken off the aircraft and disposed of correctly after each flight.
- All personal belongings must be removed after each flight.
